

Welcome to Fun-damentals!

What is Fun-damentals all about??

Fun-damentals is a class full of fun and the foundations of dance. This class is for children 5 to 7 years old. It consists of tap, jazz, ballet and tumbling. The class is designed to introduce young dancers to different genres of dance and ground them in their fundamentals.

Teacher approval is required before enrolling in Fun-damentals 2 which is for students who have had at least 1-2 years of dance.

What should your dancer wear??

Dancers are required to wear a black leotard and a black ballet skirt. Your dancer has the option to wear tights and/or black dance shorts. Black tap shoes and pink ballet shoes are required, jazz shoes are optional. Hair is to be worn up and out of dancer's faces ☺

Now to the fun stuff... PERFORMANCES!

Dancers will have a few opportunities to perform for their family throughout the year. In December The Dance Project will host a holiday celebration, where your dancer will perform a fun festive routine. In June we will have our annual dance recital where your dancer will showcase what they have learned throughout the dance season. Each dancer will be required to purchase a costume that they will wear on stage and then be able to treasure for years to come. The recital will be held in an auditorium where you will have the opportunity to purchase tickets to see your little star shine on stage!
