

Welcome to TuTu Cute!

What is TuTu Cute all about??

TuTu cute is a 45 minute class that is specifically designed for two to three year olds. This class introduces the very young dancer to ballet and tumbling, using guided creative play, imagination, and age appropriate music. TuTu Cute is a wonderful first introduction to the classroom setting.

What should your dancer wear??

Dance attire such as leotards and dance skirts. Tights are optional. Pink ballet shoes are also required. Hair is to be up and out of dancers faces 😊

Now to the fun stuff... PERFORMANCES!

Dancers will have a few opportunities to perform for their family throughout the year. In December The Dance Project will host a holiday celebration where your dancer will perform a fun festive routine. In June we will have our annual dance recital where your dancer can showcase what they have learned throughout the dance year. Each dancer will be required to purchase a costume that they will wear on stage and then be able to treasure for years to come. The recital will be held in an auditorium where you will have the opportunity to purchase tickets to see your little star shine on stage!

Tuesday 11:00am
Saturday 9:00am
